Dear Ms. Thomas,

We have received your new product submittal, Crackbond Healer/Sealer, for use as a Type III epoxy.

After review of the information submitted, we are approving your product. Crackbond Healer/Sealer will be added to the Qualified Type III Epoxy list, FS-1039, Table 2.

The Missouri Department of Transportation (MoDOT) reserves the right to remove this product from the Qualified List if it fails to perform satisfactorily or falls below established specifications. Any deviation for the approved product will also result in the removal of this product from the Qualified List unless MoDOT is notified of the changes and MoDOT has approved these changes.

If you have questions or need additional information, please contact me at 573-526-4351.

Sincerely,

Jeff Joens
